
SPONSORSHIP

SOUTHAMPTON UNIVERSITY MEN'S HOCKEY CLUB

2019/2020

Contact: mot1n17@soton.ac.uk

What is SUMHC?

We are the largest sports club at the University of Southampton, with five teams playing regular fixtures every week. Our top four teams participate in the British University and College Sport (BUCS) leagues and cups and all five teams play in the local Hampshire leagues and cups.

Our large size of over 100 paying members is a result of our welcoming nature and the long-lasting friendships which are formed while at the club. We take great pride in accepting players of all abilities and backgrounds from international representation to those who have never picked up a hockey stick before. In order to ensure that each member enjoys his experience to the fullest, the men's hockey club is a purely student-run not for profit organisation.

Benefits of Sponsoring?

Southampton University Men's hockey club has an ever-growing large and positive presence at the University of Southampton and we are always looking for ways to grow as individuals and a club. Your sponsorship would undoubtedly help us to achieve these goals but some of the benefits you would receive include:

- Maximum exposure as you would be supporting the biggest sporting club at the University of Southampton
- Access to a large and constantly growing social media presence. Our Facebook and Twitter pages have roughly 475 likes and 275 followers respectively. Additionally, our Instagram account has over 220 followers
- Exposure amongst University students and the Hampshire area as a result of our 5 teams playing matches throughout the country every week
- Exposure within the University of Southampton by way of events combined with other sporting societies such as women's hockey, lacrosse, and cheer-leading. These events improve our standing and exposure within the University of Southampton and in turn, would further expand your marketing

Sponsorship Options

Playing kit

The playing kit constitutes home and away shirts and gives the sponsor a great deal of exposure as they are worn on our game days where we travel around the country to universities and local hockey clubs.

Training Kit

The training kit is worn by players at weekly training sessions, before games and is often worn when players participate in social sporting activities outside of the club.

Teams social attire

These social shirts are worn by the players during their team socials on the weekends and are ideal for businesses looking to target University of Southampton students.
